

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 1809 - SB 1652**

March 28, 2011

**SUMMARY OF BILL:** Requires each government entity making purchases of goods, including agricultural products and building materials, to give preference to goods produced or grown in Tennessee or offered by Tennessee bidders so long as the price and quality are the same. Establishes the order of preferences to be given to Tennessee and out-of-state bidders.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumption:

- According to the Departments of Finance and Administration and Commerce and Insurance, because the procurement preferences for Tennessee bidders are given only if price and quality are equal, no additional cost or additional savings will result. Therefore, the fiscal impact to state government is not significant.
